

Dave & Win Dredge are in good spirits but largely confined to their home so would welcome visits from anybody who remembers them from their time at St. Johns. A number of people are already calling on them for which they are very grateful, but if anybody else feels able to do so, they would welcome it. Contact details are in the church family directory. This is a great example of "every member ministry" in action as church members minister to one another in this way.
